

# INSPIRATIONAL QUOTES BY WOMEN

## MOTHER TERESA

Everytime you smile at someone, it is an action of love, a gift to that person, a beautiful thing... We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop.

## MARGARET THATCHER

Any woman who understands the problems of running a home will be nearer to understanding the problems of running a country... If you want anything said, ask a man. If you want something done, ask a woman.

## OPRAH WINFREY

Think like a queen. A queen is not afraid to fail. Failure is another steppingstone to greatness... Do the one thing you think you cannot do. Fail at it. Try again. Do better the second time. The only people who never tumble are those who never mount the high wire. This is your moment. Own it.

## JOYCE BANDA

It does not matter what degree you have but what you do with the knowledge gained from the class.

## VIRGINIA WOOLF

As a woman I have no country. As a woman my country is the whole world.

## HILLARY CLINTON

We must stop thinking of the individual and start thinking about what is best for society... What we have to do is to find a way to celebrate our diversity and debate our differences without fracturing our communities.

## QUEEN ELIZABETH II

Do not tell secrets to those whose faith and silence you have not already tested.

## SUSAN B. ANTHONY

The day will come when men will recognize woman as his peer, not only at the fireside, but in councils of the nation. Then, and not until then, will there be the perfect comradeship, the ideal union between the sexes that shall result in the highest development of the race.

## KATHLEEN TURNER

It never occurred to me that I could not change things that needed changing or could not have what I wanted if I worked hard enough and was good enough.

## BARBARA JORDAN

If the society today allows wrongs to go unchallenged, the impression is created that those wrongs have the approval of the majority.
